INSTRUCTIONS FOR INTERNATIONAL SUPPLIER REGISTRATION

Section references are to the Internal Revenue Code unless otherwise noted.

Line 1. Enter your legal name – i.e., this name should match the name on your tax return. If you are a disregarded entity or branch, do not enter the business name of the disregarded entity (DRE) or branch here. Instead, enter the legal name of the entity that owns the disregarded entity (looking through multiple disregarded entities if applicable) or maintains the branch. Enter the name of the DRE on Line 2.

Similarly, if you are a non-U. S. individual who is the single owner of a disregarded entity, you should complete this form with your name and information. However, if the account to which a payment is made or credited is in the name of the disregarded entity, you should inform Northeastern University of this fact by including the name of the DRE on Line 2 of the form.

Line 2. If the account to which a payment is made or credited is in the name of a disregarded entity, input the DRE's name here.

Line 3. Enter your Tax Identification Number here.

Line 4. Enter the permanent residence address of the entity or individual identified on Line 1. Your permanent residence address is the address in the country where the entity or individual claims to be a resident for purposes of that country's income tax. Do not show the address of a financial institution (unless you are a financial institution providing your own address), a post office box, or an address used solely for mailing purposes unless it is the only address used by the entity and such address appears in the entity's organizational documents (i.e., your registered address). If you do not have a tax residence in any country, the permanent residence address is where you maintain your principal office (if an entity) or where you normally reside (if an individual).

Enter your mailing address only if it is different from your permanent residence address.

Line 5. Please input the name, phone number and email address of a person to contact in case Northeastern University has any questions regarding this form.

Line 6. If you are a corporation, enter your country of incorporation. If you are another type of entity, enter the country under whose laws you are created, organized, or governed.

If you are an individual, enter your country of citizenship. If you are a dual citizen, enter the country where you are both a citizen and a resident at the time you complete this form. If you are not a resident in any country in which you have citizenship, enter the country where you were most recently a resident. However, if you are a U. S. citizen, you should not complete this form even if you hold citizenship in another jurisdiction. Instead, provide Form W-9 (a copy of which can be found on the IRS website).

Line 7. Please complete this line as appropriate to help Northeastern determine whether it must collect additional documentation from you to determine its U.S. information reporting and withholding obligations. If you have any questions regarding how to complete this line, please contact: **Gary Menin, Tax Manager - g.menin@northeastern.edu.**

Line 8. Please check one box for the appropriate entity type for the entity identified on Line 1; you must check only one box. By checking a box, you are representing that you qualify for the classification indicated. You must check the box that represents your classification (for example, corporation, partnership, trust, estate, etc.) under U.S. tax principles.

- If you entered corporation, tax-exempt organization, private foundation, international organization, or government and you would like to make a **treaty claim**, please complete and attach IRS Form W-8BEN-E.
- If you are a non-U.S. individual and would like to make a **treaty claim**, please complete and attach IRS Form W-8BEN. However, if you are a non-U.S. individual providing personal services inside the U.S. and would like to make a treaty claim, please complete and attach IRS Form 8233 (not Form W-8BEN).
- If you are a U.S. entity or U.S. citizen or resident, please do not complete this form. Instead, you must complete IRS Form W-9.
- If you are a non-U.S. individual or entity claiming that income is effectively connected with the conduct of a U.S. trade or business within the U.S., then please complete and attach IRS Form W-8ECI.
- If you entered tax-exempt organization, international organization, private foundation or government and you do not want to make a treaty claim, please complete and attach IRS Form W-8EXP.
- If you entered “intermediary or other flow-through entity,” partnership, simple trust, or grantor trust and you would like to make a treaty claim for your underlying account holders, partners, etc., please complete and attach IRS Form W-8IMY and include all supporting documentation.
